Climate for Change: Ageing into the Future

We are pleased to announce that abstract submission for IFA 2010 is now open! Authors are encouraged to submit their abstract online for the opportunity to take part in the Conference's stimulating program. The five themes that form the program framework are expected to stimulate new conversations as well as explore in more depth more traditional subject areas. These include:

***Climate Change; Social Inclusion; Human Rights;
Resourcing Change; and Healthy Ageing***

Abstracts may be submitted under the five Conference themes for the following session types:

Oral Paper Presentations

Poster Presentations

Workshops

Symposiums
